

UNIT OUTLINE

CHCPRT003 WORK COLLABORATIVELY TO MAINTAIN AN ENVIRONMENT SAFE FOR CHILDREN AND YOUNG PEOPLE

This unit describes the skills and knowledge required to work within an established child protection framework. It also covers standard protocols to maintain a safe environment for children and young people.

A minimum of 120 hours of work in at least one regulated education and care service performing the activities within this unit is required.

UNIT OBJECTIVES

On successful completion of this unit you will be able to:

1. Implement principles of child protection
2. Apply agreed protocols and guidelines for collaborative practice
3. Work collaboratively with children and families from diverse backgrounds

TRAINING AND SKILL PRACTICE

You will receive a copy of the smallPrint text book to support training in this unit.

The book focuses on the elements required to be successful when working collaboratively to maintain a safe environment for children.

To support your training, you will be given a series of activities to complete which include researching child protection principles and requirements, communicating effectively with families and children, performing work requirements in line with policies and procedures, understand the limitations, expectations and requirements of child protection work, understanding and supporting children and families with cultural or linguistic differences, research available agencies and support networks.

You are required to practice skills such as communication, research, reading, writing, empathy, and ethical behaviour.

ASSESSMENT TASKS

For this unit assessment consists of a theory test, workplace observations and a project which build on the skills and knowledge required to ensure you are working collaboratively to maintain a safe environment for children. Assessment will ensure that you are able to identify and understand child protection factors including those relating to cultural or linguistic barriers. You will work collaboratively with families to understand and support them to ensure their safety.
