

# TERMS AND CONDITIONS

## OVERVIEW

These Terms and Conditions contain information which enables you to make a fully aware choice to use our RTO. They will be explained to you before your enrolment is confirmed and before training starts.

## CODE OF PRACTICE

We believe in doing our best to encourage, assist and advise all the people in our lives. We genuinely want to help them be the best they can be within their chosen field. For our Students and Employers, we offer our life skills and perspective as Educators, Managers, Parents and Employers.

Gold Star Child Care Training (GSCCT) is more than a business, it is our chance to give something back while sharing our knowledge, skills, experiences and learning without judgment or bias.

## ENROLMENT PROCESS

During our first visit, before your enrolment is confirmed, we will discuss important factors about your training of which you need to be aware. This ensures you fully understand your rights, our expectations and any government regulations associated with your training.

All students will be provided with information that will assist them in the successful completion of studies and achievement of competency. Units may be left with the student prior to the TRS registration date to enable them to sample the course. Should enrolment not proceed for any reason these can be returned at no cost. If the enrolment is under a traineeship, GSCCT will contact an AASN to complete your training contract. Training does not start until registration is complete which includes provision of a valid USI from the student and a current TRS from DTWD.

Monthly support visits will be provided to assist with the progress of training. Unit activity is also reported monthly to DTWD. Should a visit not be possible, for whatever reason, contact will still be made on this basis. Contact may be via phone or email. On completion of all units required for a qualification notification will be made to DTWD within 21 days and award documents provided to you within 30 days of final sign off.

## COURSE CONTENT

GSCCT will provide training and assessment that leads to the achievement of competency in your enrolled qualification and will be delivered during your normal days of work. All course content is supplemented with learning materials and the support of a trainer and assessor. Each enrolment is completed on a competency basis, meaning once skills and knowledge can be demonstrated to the training, industry and employer agreed standards a student will be deemed competent in the unit and no further training or assessment will be conducted.

---

## DELIVERY MODE

Training provided by GSCCT is delivered face to face in the workplace with the support of Qualified Educators from the centre.

# TERMS AND CONDITIONS

Trainers and assessors will schedule monthly visits to ensure progress through training. Trainers are available to you during working hours via phone, email or text message. Extra support is available 24 / 7 by phone or email via our management team. Extra support visits can be arranged where necessary. These can be conducted at the workplace or at the GSCCT head office.

## EVIDENCE COLLECTION

There is a requirement during training for evidence to be gathered to support a competent assessment. All evidence required is listed against each unit and will be held in a Student Portfolio. Where evidence is unable to be removed from the workplace or copied please discuss with your trainer. Each unit of competency has a different requirement for assessment, which will be provided to you on commencement. All evidence gathered is handled using the GSCCT privacy policy and will therefore remain confidential.
